GERRITS TRUCKS & MACHINERY

Caterpillar M314 Next Gen

General characteristics

Brand	Caterpillar
Model	M314
Subcategory	Wheeled excavator
Year of construction	2020
Hours displayed	780
Colour	Yellow
Condition	Used
General state	Very good
Fuel	Diesel
Emission class	stage_5
CE marking	Yes

Properties

Single weight	15.100kg

Technical specifications

Drive	wheels
Assets	110kw

Description

Caterpillar M314 Next Generation – Wheeled Excavator Brand: Caterpillar / CAT Model: M314 Version: Next Generation Machine type: Wheeled excavator / mobile excavator Year of manufacture: 2020 Operating hours: 779 hours Serial number / PIN: CAT0M314EKA300118 Build: 07A CE marked: Yes Country of manufacture: France Engine Engine: Caterpillar C4.4 diesel engine Displacement: 4.4 litres Engine power: Approx. 110 kW / 150 HP Emission standard: EU Stage V AdBlue / DEF: Yes Fuel tank capacity: Approx. 295 litres Weight & Undercarriage Maximum permissible weight according to identification plate: 18,000 kg Maximum front axle load: 8,500 kg Maximum rear axle load: 10,000 kg Undercarriage: Wheeled undercarriage Drive: 4x4 / four-wheel drive Tyres: Twin tyres Wheelbase: Approx. 2,500 mm Boom & Excavation Equipment Boom: Hydraulically adjustable VA boom Boom version: Long version with extended centre/middle boom section Extended boom section provides an increased working range and reach Stick / dipper arm: Hydraulically operated Additional hydraulic lines on boom: Yes Suitable for various hydraulic attachments: Yes Digging bucket: Included Hydraulic Quick Coupler Brand: Caterpillar / CAT Type: CW-20-H.4.N Version: Hydraulic quick coupler Serial number: ABN13313 Part number: 303-8386 Year of manufacture: 2020 Weight: 205 kg Maximum working pressure: 35 MPa / 350 bar CE marked: Yes Hydraulic System Hydraulic system: Load-sensing hydraulic system Maximum hydraulic flow: Approx. 270 l/min Maximum working pressure: Approx. 350 bar Additional hydraulic functions: Yes Hydraulic quick coupler function: Yes Cab & Controls Modern CAT Next Generation cab Large colour touchscreen display Digital operating-hour display Multifunction joysticks Ergonomic operator seat Air conditioning Adjustable steering column Integrated camera display Rear-view camera Side-view camera Multiple camera views on display Automatic axle/brake lock Modern electronic machine controls Additional Equipment Dozer / stabilizer blade Hydraulically adjustable VA boom Long / extended centre boom section Extended working range CAT CW-20 hydraulic quick coupler Digging bucket included Additional hydraulics 4x4 drive Twin tyres Stage V engine Camera system Touchscreen display CE marked Very clean Caterpillar M314 Next Generation wheeled excavator from 2020 with only 779 operating hours. This machine is equipped with a hydraulically adjustable VA boom with a long/ extended centre boom section, providing an increased working range and excellent reach. Furthermore equipped with an original CAT CW-20 hydraulic quick coupler from 2020, digging bucket, additional hydraulic functions and dozer/stabilizer blade. This M314 is a Caterpillar Next Generation machine and features the modern CAT operator cab with large colour touchscreen display, multifunction joysticks and camera system with rear and side-view cameras. Powered by a Caterpillar C4.4 Stage V diesel engine producing approximately 110
