Condition	Used
General state	Good
Fuel	Diesel

Technical specifications

Transmission	Automatic

Description

DAF CF 450 6x2 – Year of manufacture 2020 – Lift and steer axle – Swap-body chassis This 2020 DAF CF 450 combines a versatile swap-body chassis with a comfortable sleeper cab. The 6x2 axle configuration, featuring a lift and steer axle, offers enhanced maneuverability and the option to raise the axle when the load allows. The truck is equipped with a Dhollandia tail lift and locking points for a swap body. The cab includes an automated transmission, automatic climate control, and a multifunction steering wheel. Behind the seats, there is a sleeping area complete with curtains—ideal for resting while on the road.
