

Müller-Mitteltal TTS-VLL 30.0 Profi,

General characteristics

Brand	Müller-Mitteltal
Subcategory	Lowloader
Year of construction	2013
Date of first registration	12-10-2013
Condition	Used
General state	Very good

Properties

Single weight	14.500kg
GVW	48.000kg
Width	275cm

Technical specifications

Number of axes	3
----------------	---

Description

Müller Mitteltal ITS-VLL 30.0 Profi Low Loader | 3-axle | Hydraulic low bed | 48 Ton GVW | 275 cm wide Very solid and robust Müller Mitteltal ITS-VLL 30.0 Profi low loader, ideal for transporting machinery, construction equipment, and heavy equipment.
