Datum eerste registratie	11-06-2015
Kleur	Blauw
Conditie	Gebruikt
Algemene staat	Erg goed
Brandstof	Diesel
Emissieklasse	Euro 6

Eigenschappen

Ledig gewicht	6.000kg
GVW	11.990kg

Technische specificaties

Vermogen	210hp

Omschrijving

Mercedes-Benz Atego 1221 Flatbed with Tail Lift Mercedes-Benz Atego 1221 Bluetec 6 – Year 2015 – Only 168,159 km Very clean and well-maintained Mercedes-Benz Atego 1221 featuring a spacious flatbed body and a Palfinger MBB C 2000 S tail lift. Equipped with the reliable Mercedes-Benz drivetrain, the fuel-efficient Euro 6 Bluetec engine, and a low mileage, this truck is perfectly suited for distribution, construction, transport, and general cargo operations. The truck is fitted with a long flatbed body with aluminium drop sides and a powerful hydraulic tail lift, allowing for fast and efficient loading and unloading. The comfortable day cab features an air-suspended driver's seat, multifunction steering wheel, practical storage compartments, and an ergonomic dashboard. Technical Specifications Make: Mercedes-Benz Model: Atego 1221 Year: 2015 Mileage: 168,159 km Engine Output: 210 HP (154 kW) Emission Standard: Euro 6 (Bluetec 6) Transmission: Manual Cab: Day Cab Drive Configuration: 4x2 Body Flatbed body Aluminium drop sides Heavy-duty wooden floor Integrated lashing rails in the floor Rear access step Tail Lift Manufacturer: Palfinger MBB Model: C 2000 S Year: 2015 Hydraulic tail lift Lifting Capacity: 2,000 kg Equipment Air-suspended driver's seat Multifunction steering wheel Sun visor Roof-mounted spotlights Electrically adjustable mirrors Storage compartments Cup holders This Mercedes-Benz Atego is in very good condition and ready to go straight to work. Thanks to its low mileage, reliable Euro 6 engine, and the 2,000 kg Palfinger tail lift, it is an excellent choice for professional transport and distribution work. Interested?
